

Decorative Wall & Ceiling Linings

A product specifically made for use in high moisture semi-exterior applications, available in a large range of decorative profile designs.

Semi Exterior (undercover)

Suitable for:

- Ideal for use in semi-exterior undercover areas - walls & ceilings
- Residential applications: Alfresco, patio, outdoor rooms, bbq areas
- Commercial applications: Toilet blocks, kitchens, laundries, garages, storage areas, outdoor ceilings

Product features:

- Made in Australia using all Australian grown species
- Semi Exterior - compressed hardwood clad substrate
- Consistent board surface, no knot holes, splitting or splinters
- Hidden tongue & groove *easyjoin* system
- Available in most decorative profile options

Comparison to traditional plasterboard:

- No joint sealing or sanding required
- Panels come pre-primed front with seal coat back
- Installation up to 50% quicker
- Improved hardness (up to 3 times) with less ongoing maintenance

Environmental commitment:

- Easycraft Australia is committed to using the best available environmentally sustainable timber
- Manufacturing under AS 4707:2014 – Chain of Custody compliant management system for certified wood and forest products

Profile Options

Also available are expression series & easyscreen in various decorative profiles. See easycraft.com.au for more details.

Product	Profile	Thickness	Length - 2745mm	Length - 3660mm	Width	Applications	Features
